Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

ADVISORY ACTION (continuation of page 1)

The request for reconsideration has been considered but the amendment will not be entered for the following reasons:

New issues corresponding to new claim limitations (a partition formed directly on both the data wire and the pixel electrode, and defining the predetermined area) in claim 1 have been added that would require further consideration and/or search.
